## OLD BUSINESS

**TK's Cruise:** The weather for first club cruise event at TK's Ice Cream Shop was rainy, with a temperature near freezing. In spite of the weather, a small number of cruisers attended our event. Owing to the low participant turnout, little was donated to our scholarship fund.

**Winery and Brewery Tours:** Kevin Wright updated the membership on the status of these events.

Kevin noted that the brewery tour is on track. The cruise to New Jersey's Farm Brewery, the Screaming Hill Brewery in Cream Ridge, is currently scheduled on September 22. Members should plan to arrive around 11 am. The Club will bring the fixings for lunch, which will be enjoyed before the brewery tour at noon.

There was no further information on the winery cruise. The cruise to the Working Dog Winery in East Windsor is being scheduled for a weekend date in July.

## NEW BUSINESS

**TK's Cruise:** Our second cruise at TK's Ice Cream Shop is scheduled for May 18th. Members should plan on arriving between 4 and 4:30 pm to set-up signs and other preparatory tasks. The weather report for our second cruise forecasts rain.

On Thursday, May 17th, our TK cruise was cancelled owing to the amount of rain throughout the week. The grass display field was water-soaked. Jimmy and Taffy did not want the display field torn-up by display cars.

Bruce Bird noted that the calendar at TKs shows 2017 cruise dates. Bruce will bring this to the attention of Taffy.

**Allentown Memorial Day Parade** is scheduled for Monday May 28th. 7 members present at our meeting acknowledged that they will participate. Please arrive no later than 9:30 to get in our staging point. The Club will stage our cars near the Allentown Auto Body Shop at 59 Main Street (Route 524), across the street from Probasco Drive. The parade will be held rain or shine on Monday, May 28th, and starts promptly at 10:30AM.

The **Walnford** Pre-WWII (1948 or earlier) automobile display is scheduled for June 9th. Eight to ten cars are needed for the display. Carl Christiansen noted that the food vendor notified the event sponsors that they will not be attending. Club participants are advised to ring their own box lunch.

Tim Kuser (was) volunteered to plan a club cruise to a historic New Jersey location. This cruise will be scheduled for a date in June or October. The tentative date discussed is June 30th. Tim will include a lunch stop along the cruise route.

The College of New Jersey has approached the club to provide display approximately 10 cars at TCNJ on Sunday June 24(?). This event will part of the College's grand opening of its new Marketplace. This possible event will be discussed at the June meeting.

The Friendly's Restaurant cruise (at Hamilton Marketplace) has begun. This cruise is not affiliated with our club.

Carl Christiansen made a motion to adjourn the meeting at 8:12 pm, which was seconded by Rich Gerster.
