## Old Business

Robert Horner is our newest member.

Bob, Welcome to our Club.

The club's April cruise at TK's was washed-out.

Jim Spence requests that club members arrive around 4 pm to set-up the cruise signage and banners. The ticket tumbler has been located. The club will use a table, provided by TK's, to hold the tumbler.

The TK cruise nights are scheduled for the third Friday of each month.

Seventeen cars were in attendance at the **Meadow Lakes Display** on April 28<sup>th</sup>. As in prior years, residents of the Meadow Lakes community interacted with Club Members. Members in attendance at the display engaged in conversations with the residents, who recalled their own experiences with cars similar to the ones in our display. Once again, the club received many complements from the residents and staff of the Meadow Lakes Community. Based on the resident's feedback, the Meadow Lakes Staff look forward to our display at their facility next year.

## New Business

The Membership floated the idea of hosting a **Flea Market** as a way to generate funds for the Club.

Vendors selling wares could be assessed a "Table-Fee" or be asked to donate a percentage of their sales to the Club. Profits from food

sold at the flea market could also be donated to the club. The flea-market topic should be addressed in future club meetings to firm-up these conceptual ideas.

## Other Club Business:

The next upcoming display is the **Walnford** Pre-WWII automobile display. Eight to ten cars are needed for the display.

Carl Christiansen as placed an ad in Hemmings to raise awareness of the Walnford Display and an ad on the AACA web site as well.
