Old Business

TK's Cruise: The weather for first club cruise event at TK's Ice Cream Shop was rainy, with a temperature near freezing. In spite of the weather, a small number of cruisers attended our event. Owing to the low participant turnout, little was donated to our scholarship fund.

Winery and Brewery Tours: Kevin Wright updated the membership on the status of these events.

Kevin noted that the brewery tour is on track. The cruise to New Jersey's Farm Brewery, the Screaming Hill Brewery in Cream Ridge, is currently scheduled on September 22. Members should plan to arrive around 11 am. The Club will bring the fixings for lunch, which will be enjoyed before the brewery tour at noon.

There was no further information on the winery cruise. The cruise to the Working Dog Winery in East Windsor is being scheduled for a weekend date in July.

New Business

Tim Kuser (was) volunteered to plan a club cruise to a historic New Jersey location. This cruise will be scheduled for a date in June or October. The tentative date discussed is June 30th. Tim will include a lunch stop along the cruise route.

The College of New Jersey has approached the club to provide display approximately 10 cars at TCNJ on Sunday June 24(?). This event will part of the College's grand opening of its new Marketplace. This possible event will be discussed at the June meeting.

The Friendly's Restaurant cruise (at Hamilton Marketplace) has begun. This cruise is not affiliated with our club.
