The July meeting was held at the Crosswicks Community House. President Jim Spence called the meeting to order, after the club BBQ, at 8:00 PM. Sixteen club members and no guests attended the club meeting.

Secretary Doug Watt presented the Meeting Minutes from the June club meeting. John Weldon made a motion to accept the minutes as read, which was seconded by Carl Christiansen.

Treasurer's Report: Bruce Bird, Treasurer, was not able to attend this month's meeting, so the Treasurers report was not presented. We will catch up on the report at our next meeting at TK's.

Old Business:

Once again, Joe Weldon cooked-up another delicious BBQ. Joe not only organized the food and drinks for the BBQ, he was the Chef too. Joe, the club appreciates your commitment to plan and procure for the BBQ, and going the extra mile again, by manning the grill. Well Done Joe!

New Business

A number of local car displays, organized by other clubs, are scheduled:

- A classic car show and pig roast is scheduled for Sunday 12:30 – 5:30 pm, **July 24th at WoodMeier Farm**. The farm is located at 225 Rock Road West, Lambertville, NJ. PRE-REGISTRATION is required. Contact Michelle at 609-468-0438 or syuro4@gmail.com.
- The **Roebing Museum Car Show** is scheduled for 9 am – 3 pm, Saturday **July 23, 2016**. The car show is located on the grounds of the Roebing Museum. Mercer automobiles will be featured at the car show. Mercer cars were manufactured from 1909 until 1925 by the Roebings and Kusers. Separately, the Roebings manufactured wire rope used for suspension bridges and elevators. The Kusers owned a manufacturing building Hamilton, which was converted into a car factory, becoming the Mercer car factory in 1906.
