## NEW BUSINESS

**TK's Cruise:** We suffered through foul weather on our last cruise event on September 21<sup>th</sup>. Only 36 cars joined us. We can only hope that 2019 will bring good weather to our TK cruises next year.

Members attending the **Screaming Hill Brewery Cruise** had a good time. Thanks go out to Kevin, Bob, and Jimmy for making this cruise a success.

**Scholarship Report:**

Doug has contacted the Automotive Training Center.

Doug noted that Treasurer John Tiene is evaluating the club's financial status, and will recommend the number of scholarship awards that we can make. Whether the club can support one or two scholarship awards, the selection criteria will remain the same:

- The Club would like to give preference to New Jersey based students.
- The students must have good attendance and good grades.
- The MOST important criterion is the financial need of the students.

Doug also made the Automotive Training Center aware of the passing of former President Jim Spence. Doug noted that in lieu of flowers, Jim's family requested donations be given to support an award for a student of the Automotive Training Center.

- The Jim Spence Memorial award will be about \$1000.
- The club will select a student who is involved with providing a community service.

The awardee may be a volunteer at a soup kitchen, food bank, or a volunteer fire fighter. As long as the student provides some kind of community service, the student is eligible for consideration for the award.

Doug noted that our club would like to schedule the award ceremony in November, 2018.

**December Pizza Meeting Arrangements:**

Bruce Bird is setting up the reservation for our December 10<sup>th</sup> Pizza meeting at Scotto Crimani.

**The Officers Installation Dinner**
